Working with Soar Valley Press

1. Order

We will provide you with a clear proposal and answer any questions you may have. We will confirm the order with you. If you would like to talk about your project at any stage, then we are always happy to come to you or pop into SVP HQ for a coffee and chat over what you would like to be achieved.

2. Design

We will discuss your needs and produce a beautiful design that delivers on what we have discussed. Whether you are looking for logo design or corporate branding, complete creative concepts or assets for your social media; we have you covered.

3. Proofing

We will always provide you with a proof of what we have designed so you are happy with what we will print.

If you are supplying us finished artwork, then we will check it for you. We will correct any issues or help you with preparing the artwork for printing. You can have peace of mind that your final product will look spot on.

4. Production

Once you give us the go ahead, your project will head into our Production Zone. We will take great care to produce your items and package them securely.

5. Delivery

Your finished items will be hand delivered locally or sent out on courier for nationwide delivery. Or, if you prefer, you're more than welcome to drop into our offices to collect!

We take great pride in what we produce for you. We would love to know how you have got on with your printed products and how they have helped you. So please keep in touch.

HAPPY CLIENTS

What Leicester Tigers say about us ...

"Soar Valley Press deliver a prompt quality product to us week in week out! We have many departments and products, sometimes unique, which they are more than happy to help us with and guide us through the process. As well as printing they provide us with a fulfilment service that I trust. They meet our sometimes short deadlines and are happy to deliver to our requirements. I thoroughly recommend Chris, Dave, Hannah and team."

How we work with you

Many people find sourcing high quality design and print a difficult process. From tight deadlines, to difficulty deciding on the results that they want to achieve. We understand that process can be stressful. We will reassure you with clear proposals and demonstrate a willingness to meet your tight deadlines with no added stress. So that you can grow your business and exceed your marketing goals.

BEAUTIFUL DESIGN

Creative design is about providing innovative solutions that deliver on your goals. Design solutions need to help communicate your key messages while gaining the reader's attention. If you need a responsive team who can get straight onto your project and provide great solutions within your tight timescales, then get in touch with us today.

Would you like to meet your designer and discuss your needs in person? Then that's no trouble, we have an open design studio where we can collaborate on your project and nail those details. You can be involved in directing your project from start to finish or rely on our friendly team to deliver the best solution for you.

BRILLIANT PRINT

Have you struggled with printers who failed to deliver your projects on-time? Have you ever had concerns about the quality? Have you placed an order without a full understanding of the proposal you have received? We offer a full support and advice service with a jargon-free approach to print. Backed-up by our 100% satisfaction guarantee.

You have the peace of mind from dealing with an experienced print team that has worked on multiple projects for high profile clients. With the right equipment in-house and strong relationships across the industry your work will be handled with the utmost care, with the aim of you being completely happy with the final product.

BRANDED MERCHANDISE

Looking for great brand exposure and low-cost effective marketing?
Promotional print provides the perfect solution!

Our wide range of promotional materials can help you achieve your marketing goals.

With a wide range of low-cost, promotional merchandise our brochures include products that suit a wide variety of budgets and needs. Our good relationships with local suppliers, and contacts within the industry, will help us to ensure that you are completely satisfied with the final product.

BANNERS, EXHIBITIONS & SIGNAGE

Clear signage is crucial to helping customers find you. Whether they need to find your location, be directed around your site or you need to stand out at a busy exhibition, we can help you produce signage and displays that help your clients.

We can produce everything from permanent rigid signage to flags and pull-up banners. When planning your next event talk to us about what you would like to achieve and we will advise you on the most appropriate solution.
